(\$28-\$32; 90% sangiovese with 10% cabernet sauvignon and merlot) Deep ruby. Extremely closed nose remains reticent even after ten minutes in the glass, but the deep dark berry fruit and licorice notes hint at some depth. More forward on the palate, with dense, sweet flavors of black plum and cherry. The wine's soft texture and broad, supple tannins speak of the very hot vintage. Finishes with moderate persistence. **88 points**
